RELEAF 2012

at Clark Lake Park

SE 240th St. entrance – park at Eastridge Baptist Church, 12520 SE 240th St.

Saturday, October 13, 2012
9 a.m. to Noon, Rain or Shine

ReLeaf focuses on reforestation and re-vegetation of the urban forest, greenspace and wildlife habitat at Clark Lake Park. This is the 11th year the City of Kent has sponsored ReLeaf at this park, which has 130 acres of forest, meadows and lake, surrounded by developed neighborhoods. This time, volunteers will be working along the 240th side.

What we'll be doing:

- Removing invasive weeds along the edge of the park
- Planting native trees and shrubs to shade out the weeds from returning
- Adding cardboard as a weed barrier and chips to hold moisture
- Watering all the new plants

Please bring a shovel or pruners/loppers, if you have them. Dress for inclement weather and wear work gloves and sturdy shoes or boots (no sandals or flip-flops are allowed). Note: Restroom is a portable sani-can with a hand-washing station. Thanks to our friends at Starbucks on 4th and Meeker for donating coffee and hot chocolate. Water will be provided. To reduce waste in our landfills, please bring your own container to refill from our jug. Thanks!

Registration deadline is by Noon, Oct. 10
