I certify under penalty of perjury, under the laws of the State of Washington, the following is true and correct. I am a sworn Kent police officer and, based upon my review of the electronic images made by the automated traffic safety camera, I have probable cause to believe, and do believe, that on the date, time, and at the location listed above, the vehicle described above was in violation of KCC 9.36.140 (D). I have been trained and know that this school speed zone is fully posted with school speed limit signs indicating a 20 MPH speed limit when warning lights are flashing and signs indicating that the speed limit is enforced with automated traffic safety cameras. I have been trained and know the technology is such that the automated traffic safety cameras are operating only when the flashing lights are in operation. The electronic images taken together showing the vehicle and its license plate portray a fair and accurate representation of the location listed above and indicate the vehicle was speeding in the school zone. The registered owner is named above.

NOTICE OF INFRACTION
YOU MUST RESPOND BY THE DUE DATE ON THE NOTICE OF INFRACTION.
Your response must be postmarked by midnight of the due date.

From a review of the electronic images by an automated traffic safety camera it has been determined that, on the date and time and at the location indicated on the front side of this notice, your vehicle was exceeding the posted speed limit in a school zone.

An infraction detected through the use of an automated traffic safety camera is a non-criminal offense for which you cannot go to jail. **Like a parking ticket, this infraction will not appear on your driving record.** However, failure to respond to a Notice of Infraction, failure to appear for a requested hearing, or failure to pay a penalty imposed after a hearing will result in a late fee as well as this Notice of Infraction being referred to a collections agency and additional penalties plus collection fees will be added to the original penalty. Failure to appear at a hearing requested for the purpose of contesting the determination or for the purpose of explaining mitigating circumstances may result in the refusal of the department to renew the vehicle license, until any penalties imposed pursuant to RCW Chapter 46.63 have been satisfied.

If your vehicle was stolen or sold prior to the date and time of the violation or was otherwise not in your care, custody or control at the time of the violation, you may submit an **Affidavit of Non-Responsibility** to the Court to rebut the presumption, established in RCW 46.63.170(1)(e) and 46.63.075, that you, as the registered owner, were driving the vehicle at the time of the violation. The **Affidavit of Non-Responsibility** form may be downloaded or printed from www.ViolationInfo.com. **Mail the completed form to the address listed on the Affidavit. Failure to mail the completed form by the due date shown on the front of this Notice of Infraction will result in the Infraction remaining in your name.**

TO VIEW VIDEO AND IMAGES: The digital photographic evidence of this incident will be submitted as evidence in the municipal court proceeding for prosecution of this violation.
